The project...

Children's Safe Haven

Establishing Play House and promoting Early Education among Children

Inspired by...
Driving forces...

- Vital for the social, physical, intellectual, creative, emotional, and cognitive development
  - No available facility in the neighborhood
  - Parents are less interested or capable of bringing their children
  - Education as less priority
  - Challenge in crossing the stream or walking through the semi-forest area
Framework...

- Declaration of Human Rights – right to life, education, development.
- UN Convention for the Rights of Children
- RA 8980 - ECCD
- Mindanao peace framework
- UN Convention for the Rights of Children
Model...
Vision

Children in the peace loving community are enjoying their rights, provided with services and nurtured to become well grounded individuals.
Mission

Contribute in nurturing children for them to become an active member of the community, through advocacy of rights and development of children.
Goal

• To promote children’s rights and development in the community

• To provide opportunities among children to experience the gift of childhood
Objectives

• To establish a venue where children in pre-school age can play, learn and interact with each other

• To encourage the parents and communities to appreciate the value of education
Activities...

- Coordination with Barangay local government unit and community leaders for orientation and securing support
- Purchase of materials for construction of tables, mini chairs and cabinet
- Purchase of toys and educational materials
Activities...

• Construction of tables, mini chairs and cabinet

• Installation of all the materials in the play house

• Establishment of Bangsamoro Corner

• Lobby and Network with partners
