

# บทที่ ๑

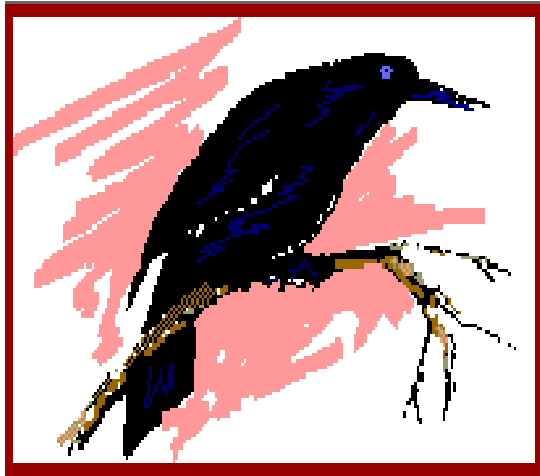

## (Lesson 1)

The goal of this first lesson is to read ten words in the context of a simple story about a Thai girl named Maanii. Five consonants: ก /k00/, ต /t00/, ม /m00/, น /n00/, and อ /00/ as well as two long vowels [in Thai "saah-ra"]: - ำ /aa/ and - ี /ii/ are introduced. You can practice writing these new scripts by clicking on the "Practice Writing" button on the second page.
